1. On 3 April 1956 Chief/OB/BS attended the Intelligence Advisory Committee Meeting. 2. [] from the Office of the DCI, told Chief/OB/BS about the request from Fordham University that an address be given to the students of Fordham under the sponsorship of the Suarez Society of the University. The Office of the DCI has notified Chief/OB/BS that this request has been approved.
 3. Chief/OB/BS talked to the DDI about the possibility of Mr. Ted Babbitt, Chief/Intelligence, Office of Civil Defense, attending the next Departmental Briefing. Mr. Amory was enthused about the idea.

Chief/OB/BS then informed Mr. Babbitt and requested that he submit a request for attendance in writing so that the customary name check can be conducted.

Mr. Babbitt was very thankful for our follow-through on this item.

The formal request for attendance has been received from Mr. Babbitt and is now being routed through the Office of Security.

4. When Mr. Lewis Olin, Deputy Chief/Intelligence, USIA, addressed a CIA audience on 4 April 1956, I suggested that better understanding of USIA by CIA and vice versa would aid both Agencies. This led to a discussion between Chief/OB/BS and Mr. Olin about his Agency participating in the Departmental Briefing. He expressed great interest. Chief/OB/BS suggested that Mr. Olin might want to attend himself in order to evaluate more accurately how the program can be used by his Agency. Chief/OB/BS also talked to the DDCI about this matter. The DDCI was in favor of the USIA participation in the Departmental Briefing and suggested that it be done on an informal basis. More on this later.
